# My Dog

My dog Vega is really cute. My dog, Vega is a Min Pin Yorkie mix. She is a very fast dog, even though she is small. Her fur color is mostly black with brown marks.

Vega can be really bad some days. Some of Vega's habits are to chew <sup>on</sup> and steal socks. Whenever we ~~would~~ leave her at home by herself, she would always dig in this plant <sup>that</sup> my mom had, when we ~~would~~ <sup>came</sup> home there would be dirt everywhere. If you get Vega riled up, she will try to bite your hand, fingers and ~~will~~ attack your hand, sometimes after you are done playing with her, if you ~~try to pet her~~ she will try to bite your hand.

We were super excited when we got Vega. We got Vega because my sister and I were begging my mom to get a dog (mostly me). She was also an early Christmas gift. Also this is a reason I think my mom got us the dog was because when we gave away my previous dog before Vega, Roxy, I took it really hard and I was really upset, because Roxy was awesome and very playful.

RUN-  
AW  
SENTENCE

When we got Vega, it was a big surprise. We got her on a Wednesday, <sup>I</sup> it was a good day. It was after Girl Guides <sup>that</sup> my dad dropped us off at my moms, and my mom sat us

down on the couch <sup>she</sup> (and) said that Daniel <sup>had</sup> broke his leg, but I knew she was lying and I got all excited because I knew it was a dog, then Daniel came out of their bedroom holding a little black and brown puppy! We got her in November sometime on a Wednesday.

My dog is the cutest, funniest, <sup>and</sup> sometimes, meanest, dog.
